Peggy Clemens Lauritzen

Peggy Clemens Lauritzen, AG, was involved in genealogy before she was even born. The daughter of avid genealogists, she was spending time in courthouses and cemeteries while other children were playing on swings and going to the beach. The love of her family's history has never left her.

With her experience as a former Family History Director, she is a frequent speaker at genealogical societies, work-

shops, seminars, and webinars where she loves bringing genealogy to life. Some of those would include The Ohio Genealogical Society (where she received the prestigious Fellow of OGS Award), The Ohio State University, Brigham Young University, and many other state and local genealogy societies. She has completed several Legacy Quick-Guides on Appalachia, which are available on www.amazon.com and www.legacyfamilytree.com
